Gossies Challenge No. 16, One of the Most Memorable with the Gossies Taking a Great Win!

Every weekend at Miss Q's there is always something to do and last weekend was no exception. Gossies came to town and were ready to win the trophy back. However, we had our own secret weapon ready to fire M16 or as we know him Scott Brownrigg and we also had several of our old timers Damo "Toothy" Stenhouse, Jarrad Page and myself who have played almost all Gossie challenges. We began the day in usually fashion with Kez

welcoming us and Antonio informing his Gossies crew that if they won three challenges in a row that they could wax his chest. So the games began and both teams came out firing. Then soon Gossies pulled away from the Miss Q's team, but we bravely fought back. But after 12 fast paced well fought out rounds Gossie won 141 to 99. Now this is how good Gossie players are 2 of their members were undefeated, some of their

games came down to the wire, but true enough these very experienced players finished it off. Ivan and Gary then played to see who was man of the match with Gary winning after a 3 game victory. Scotty the youngest player of the 2 teams came away with 6 games, & Miss Q's top Player was Ben Dougherty winning 10 games.

While the challenge was happening we decide to raffle off Mr Pinchy a 5 kg Cray that Barry Brownrigg had supplied to us. We raised \$80 for the MPF and the winner was drawn during super and went to our own Jane Parkinson-Jose.

A great day was had by all and the next Gossies challenge will be held at Gosnells Pot Black in May, hopefully we will be able to turn the tables on the Gossies Talent next time!
