Party Girl Mimi:

With the Miss Q's birthday coming around fast myself Shandy (Shannon Ellis) and Brittany Trefort had a plan to blow the night away with out beautiful dresses(-) that still sound so wrong). We started in Rockingham at Copy Cat hire, we all know Copy cat hire is a good company but they let us down this birthday not allowing boys in girls clothes which was a shame so we decided to try Mandurah's home town costume hire place Mandurah Costumes. Our costume hunting trio ended up at Mandurah costumes before we knew it. On the agender first up was finding Jack and JR's costumes. The way Shandy and myself planned finding costumes was that Shandy had a smaller body size than jack but I was bigger than jack and JR was bigger than both of us. In the end the costumes looking fantastic and I enjoyed a laugh at that because they didn't think Kerry would organize there costumes so well.

Shandy and I were still hunting for our perfect dress and as Shandy tried on dress after dress he just couldn't find the one, while he was stripping off for the lady that owned the shop I looked for heels but no success. Within 20 minutes I had found the dress for me... it was talking to me calling me towards it when I found it I didn't know if it was going

to fit but it was perfect. It was purple with skirt with under top and a sparkly purple shawl also I wore purple fishnet stocking HOT!

After the costume hire we needed accessories and the op shops where the perfect place. We headed to the salvos where we found our beautiful bags earrings

necklaces and yes of course high heels. We spray painted our heels gold and let them dry. As the day went on I worked at Miss Q's and got everything ready for our big night, once I finished I went strait home to change and up on my make up.. My style of make up was a Mimi from the drew Carey show style ... I liked it I WAS HOT lol. The night was a huge success and I only had my heels for 25 minutes before they

broke the Money shots took out the best dressed with Spidie winning Shandy second and myself third. I would also like to say although the night was a huge success and Jack and JR had a very busy but great time, the people that got down during the week to meet JR and Jack would know that they are nothing but gents and fantastic pool players. It was a pleasure to have two of the best here for one of the funniest nights of my life and I would like to thank Shandy for all his/her help and hope he/she enjoyed the night to/ will call me for dinner lol - Bulldog.

MPF UPDATE

First things first, I would like to thank everyone who has supported MPF since it first started and there are a few people who I have especially helped this month but there is something I have to say first.

This is a message to all those who wont support MPF, which is there for you guys, as they believe it is only there for top level players (the wizz). Were in actual fact it is the opposite. If people would read the articles that are in the newsletter they would know that MPF was created so we can send people interstate and over seas to enter into pool competitions. Now the way these people get selected is through lucky draws, so if you enter the competitions and game nights you automatically go in to the draw, so the more you support MPF the better your chances. So get behind the fund that supports you!!

Anyways enough of that, the last month has been huge for MPF, with us raising we have now hit a grand total of \$564.00 which has nearly doubled since last month.

First up Barry Brownrigg had donated to crayfish in which we raffled these off on the 8th of June and that night we made \$86, thank you so much Barry. Also talking a Barry, a huge congrates goes out as he won the cue raffle which was drawn on the night of the Miss Q's Birthday. As you should all now, the cue was donated by Jack Halligan and from that raffle we rased \$228.00 which is a huge effort and thankyou to everyone who entered and to Jack for his support.

Finally as most of you would have seen, we had two of Australia's best pool players here at Miss Q's. Not only can these two gentleman (or Ladies at the Birthday) can play but both guys get behind MPF and helped us to raise another \$55.00 with challenging other players.

We also have the Miss Q's 8 ball coming up on the 08/08/08 in which we will be having some fun games to play on the night and once again all profits coming to MPF.

We also have the 24 hour challenge on the 28th of August. This night will cost \$70.00 which includes 3 meals, a shirt to keep, and table time with lots of fun games.

Anyways, enough from me as I have a lot of preparing to do, so till next time, Janie - MPF Co-ordinator

Barry Won the Cue

Hey all, its Em here, your resident event décor artiste. This year I designed a Drag Queen theme for you to enjoy and how do you repay me ?? By showing up in the best outfits I have seen so far. To everyone who dressed up . . . The midget assassins, the money shots, the Geelong cheerleading squad, all the other gals and of course our very own Drag King Elvis herself Janey. A huge congrats goes out to our crowned Miss Q's Queen Peter 'Spider' Christie, who looked stunning in his baby blue gown. You were all awesome and it made the birthday the event it was.

Peter, Best Dressed Drag Queen

Miss Q's was completely booked out all night and the party went off. The activities and prizes that Kez and Azza provided us throughout the night were excellent. To top it all off we were lucky enough to be entertained by Jack 'the French maid' Halligan and J.R 'Gold pants' who entertained us with game challenges, trickshots and a whole lot of cleavage.

A huge thanks to my helpers to whom without them my work couldn't come together each event. Mum, Alara, Julie, Shandy and Spider. Thanks to Azza and Kez for all their help and support throughout the last year also a big thanks for the choice of hot bar staff they chose for the evening.

My last most important thanks goes to the patrons. Without your support these events cant happen. It makes everything that I put in all the more worthwhile when you all go to great efforts to join in the fun. Thanks again.

Bye for now Em. . . may your aim be true and your cleavage proud.
