Vol 10. No.9 October 2009

Editorial:

September absolutely Rocked, starting with the very successful MPF Fundraising Marathon, the All Stars Raised in excess of \$900, well done & thanks to all those that supported the effort. The All Stars also had one of Australia's most famous players fly in from Adelaide for their Coaching, Alec Evrenadis. A Big Thanks to Ace for the special effort put in with our Leaguies and the invaluable advice he imparted to us all, I speak for us all when saying we can't wait for his return visit next year. The Month was topped off by a very exciting road trip to Geraldton where around 10 Leaguies participated in the Rossi Boots Comp, it was awesome! Everyone played well & learnt much more than they thought possible especially young Stewie. A massive congrats goes out to our Sasha on winning her division producing the best result from our bunch, you go girl! Special Thanks to Adrian & Adele for putting on such a terrific show, we will all be back.

Still to come this month we have a Billy's Challenge on Nov 11th, please come cheers us on. Rossi Boots - Geraldton 2009

The 2009 Rossi Boots Open was a tournament that will be remembered as one of the best. A star studded field of State & Australian players, joined by up & coming players from far & wide made up the field of 44 competitors. Competition started on Friday Night with a Cash Knockout, a great opportunity for players to warm up for the main event the next day. Ron Kelly was too strong on the night and took home the cash. An exciting Calcutta saw big dollars bid on the top names, making the comp all the more interesting with Dax from Kalgoolie ultimately scooping the pool.

Saturday Round Robin saw names like

Thomas Warren, Sonny Lister, Ron Kelly, Clint Kappler, Jim Serci, Alec Evrenadis, James Delahunty, Wayne Brindley & Luke Foster all top line players mixing it up with Geraldton locals & many other players from around WA, to earn their positions in the Main Draw for the big Dollars. Division winners from the round robin section were: B Grade - John Harvey, C Grade - Ben Foster & D

Grade Sasha Fenwick. A Great effort by all division Champs. Then the main event with the final 16 players putting on a great display of Pool with most matches going to the last frame. The semi's saw Young Luke Foster Playing James Delehunty & only

just losing in the deciding frame, a great effort to the star Geraldton Junior. Old foes Justin Sajich & Ron Kelly drew each other and for the second time that day Justin took the match setting up a repeat line up of the Australian Tittles with SA's James V WA's Justin. The Boys did not disappoint with a sensational Final going to the wire. James got up in the last frame to secure

another major title. All in all a fantastic weekend of Pool & camaraderie amongst players, none of which would have been possible without the Amazing Adrian Lancaster & the Great Northern 8 Ball Association who ran a spotless tournament, Thanks Guys, speaking for the Miss Q's Mandurah Crew, we learnt heaps, had a blast and cant wait for the next one! Cheers Kez

Premier ALL STARS

Hey Players & Patrons. Well the month of September was another busy month for the All Stars, I'd like to start off by announcing that Emma Soanes has joined the Premier All Stars, welcome Emma and I hope you take a lot out of the All Stars.

There is still 1 Ladies position available if any lady is interested, The big event of the month was on Thursday the 25th September, we had by far our most credentialed

coach to date and one of the most creditable pool players in Australia history by the name of Alec Evrenadis. The coaching session was brilliant with everyone taking a lot in as Alex played every player and then we had a verbal lesson afterwards were Alex in detail went through everything to do with eight ball and answered all questions, Thanks a lot Alex you were brilliant and showed us how perfect our games.

On Saturday the 12th September we had our 13 hour fundraiser and it turned out to be a successful day for the All Stars with \$765 raised for the M.P.F and \$180 for Jolene Grabbi and Hayley Bryant who

are going to Canberra later on to represent Western Australia at the Nationals, Good Luck girls and I hope the money helps you achieve your target, I'd like to thank a few sponsors and people for making the day and result possible.

I'D LIKE TO THANK THESE SPONSORS FOR THEIR CONTRIBUTION-

- **ASHLEY PARNHAM - SCUSI RESTURANT - MC DONALDS MANDURAH-**

AND THANKYOU TO THESE SUPPORTIVE PLAYERS WHO DONATED MONEY-

- EVAN BRIGGS - WAYNE CARTER - ME (PETER RAINES) -

Finally on the last weekend in September Me, Kerry, Azza, Ace, Bulldog and Stewbert all headed up together to Geraldton for the City class 2009 Rossi Boots competition held at the Italian Club in Gero, It was a amazing weekend, sensational eight ball play and a very good crowd to mingle with, Us 6 stayed at "Franks" (champion B&B) place while the rest of the Miss Q's crew joined us up there, I will definitely attend the Country Class in March and look forward to it, A huge Thank you To Kerry and Azza for the weekend, I really appreciate what you guys did and hope we all go up for the next challenge, CYA PLAYERS - PETER RAINES

Premier Academy of Cue Sports

This month we (The All Stars) had a very important guest coach in the form of the one and only Mr Alec "Ace" Evrenadis a truly accomplished 8 ball player if ever there was one. Ace has a list of credentials which easily makes him one of the most accredited 8 Ball players in this country having represented this country at world level more times than I have fingers and making the state team in S.A (considered by many to be the home of 8 Ball in Australia) as many times as I have fingers and toes combined, armed with all this experience Ace attempted to impart some of his vast knowledge to an eager group of All Stars intent on learning everything they could from a man who has so much knowledge of the game that you could pick his brains forever and not go hungry for information. Speaking for myself, I know that my game will never be the same again, after spending time with Alec and learning some of the tricks and facts about our beloved game, I've gotta say the table sure does look different this week in comparison to last and I can only hope that my fellow All Stars took away

Below: Alec Evrenadis Multiple Australian Champion, Coaching the Premier All Stars

as much from the experience as I have. A few of us also had the pleasure of hanging out with Ace for the weekend at the Rossi Boots 8 Ball Challenge in Geraldton where we got to watch him "At Work" play against some other Big Guns in the sport in some amazing match play, where some of our own crew also shone out amongst the stars, read their articles here this month. Tune in next month when I'll tell you about October's coaches Zeljko Cochev, Cue Maker Extraordinaire and Australian Rep. John Russell, Table Making Legend. And just a quick reminder leagues if you come down to coaching on a Sunday at 3pm we'll show you what our guest coaches have shown us. - Till next time Az.

Queens Birthday Cup

2009 Queens Birthday Cup Champion L-R: Alec Evrenadis & Runner Up Jeremy Bower

After an exciting weekend of Tournament Play in Geraldton at the Rossie Boots Comp, many hurried back to Mandurah for another round of match play in the Queens Birthday Cup Comp. A lot of new faces and a very special guest from South Australia 'Alec Everenadis Aka Ace, Australian Champ', made up the field of 24 players. Not everything went Ace's way with local boy Ben Doughery beating Ace in the Quarter Finals sending him into the losers side of the draw, but as Champions do he came back meeting Jeremy Bower in the Grand Final and eventually winning the event. Next money comp the Miss Q's Classic on Nov 7th & 8th, the biggest of the year see you there.

Bulldog Leaves the Kennel & Takes on Rossi Boots

In the singles comp final I was playing very well almost the best I have ever played and I came across Malo in good form. As the games were played

through the final my game was a little bit better than Malo's and I won the all expenses paid trip to Geraldton for the open event Rossi Boots comp. we left Friday morning at 11am with some very fancy hire cars and with Aaron Stewey and myself in one car we headed off up the highway to Geraldton it was a gruelling 6 hour drive but with a few stops for food and drink and all the side ways trees to entertain me Geraldton came in no time. We got to the Champion Bay Bed and Breakfast or Franks which we were later to find out should be the real name, to drop our belongings and head down to the Italian Club for some practice as we got there we met Jarrad and Sasha and a lot of friendly faces like Adrian. With Dax having the best entrance for the night as he walked in the door he shouted "so who was the best player to arrive before I got here" which sent everyone into laughter which Dax does mostly. The money comp started and I had a pretty good run playing some B and C grade players but my night came to a close when I was beaten by Clint Kappler one of the many talented players from super league in Perth. There was some Wild Turkey thrown around to end a good night where Ron Kelly won the money comp we headed back to Franks for a few hours sleep and when we awoke we had a buffet of food for breakfast. The day progressed with a lot of games against great players and we had a lot of people watch the AFL grand final with bets galore. The day came to a close around midnight and we all hit the hay for some rest to be awoken by again a buffet. Sunday started like Saturday with great games everywhere and as the day went on the finals came close. The winner of D grade was our own Sasha Fenwich and winner of C grade was Ben Foster one of the local Geraldton

boys B grade winner was another local John Heartly and with the top 16 becoming the top 2 very fast we were left with James Delahunty and Justin Sage. The final 9 games were the best games I have ever seen with strategy and huge pots James won 5 to 4 just like an Australian singles titles. Anyone wanting to go to the March Rossi Boots comp should go it's a great weekend and a great experience

Stewie Rocks Geraldton:

Hi I'm Stewart Lambert and I'm one of the winners of the trip to Geraldton for the Rossi boots challenge along with Bulldog. The Friday we were leaving we left at 11 am to get to Gero by around 5 pm. Along the way we saw some really interesting things including trees that grew along the ground. When we got to Geraldton we checked into our hotel that was known as "Franks Place" by all the taxi drivers but was actually called Champion Bay bed and breakfast, (if you ever go to Geraldton stay there its really nice). After we checked in we all went to the Italian Club which is where all the matches were played. We played a little knock out comp for all those that wanted to and then all we did was play pool for a few hours. The next day it was a 7 am get up to have brekky and to get to the Italian Club by 8 - 8:30. The day was a long day of pool which didn't finish till around 10:30 but we still stayed and played more pool till around the same time as Friday. Sunday was the same wakeup and the start time, I played far better pool than I did on Saturday but either way on both days I played better than I ever have really. All together I took 15 frames and came second in my division for side two. After the main comp we had a little knock out comp for fun but I got knocked out first round by Bulldog. On Monday we all got up at around 5 am for a 5:30 leave to get to Mandurah by 11 am and open Miss Q's for the knockout comp. I would like to thank Azza and Kerry for the opportunity to let me play in the Rossi Boots Comp and I learned a heap. Thanks heaps guys. Stewie

Junior Update

L-R: 1st Stewart Lambert, 2nd Jack Marsh & 3rd Scott Brownrigg

Player of the day Newby Tim Ryan

L-R: Consolation Prizes to Ben Thompson, Mikey Read & Jasmyn Brown

September's junior knockout comp saw our best turn out yet with 16 juniors showing up. It was great to see our regulars along with some new faces showing us there skills and potential but best of all having fun! We started the day with name tagging all the juniors so that it made it easier for our newcomers. They were then split into two groups with the top two of each group going into the finals.

It was a round robin format, and Ben Jenkins, Stewart Lambert, Scotty Brownrigg & Jack Marsh were the top four all of which only dropped two games the whole day!

Huge congratulations to Stewie for winning 1st place and a nice new shiny trophy. Just to show you how far Stewie has come, in mid 2007 Stewie won an encouragement award in his first ever social league. Since then he has come 6th in the Junior State Trials for the under15's and won numerous other comps and is currently in the top 5 of the tuesday advanced league. He has also earned himself a spot on the Money Shots Team. This lad truly is a natural within the sport and can

only get better and better!!

Jack Marsh came runner up for the third time in a row now in our junior comps winning him self another medal. Young Scotty took third place winning himself vouchers. Every game was very close & exciting just how finals should be so great effort there lads!!

The Player of the day award went to 11yr old new comer Tim Ryan which was chosen by the players who all said he has great potential and showed great sportsmanship as you all do!!! Mikey Read won a voucher that was kindly donated by Wendy's Ice Cream Parlour in the forum. A Big Thankyou to Rachele Brown for getting the vouchers for us!

Ben Thompson & Jasmyn Brown won the lolly dummies, not because they spat the dummy but for there outstanding play during the day!

We would like to thank all the junior's for once again making it such a fun filled day & also making all the new comer's feel so welcome and at home.

You guys Rock!!!! and we look forward to seeing you all again at the next one! - Claire & Melmo :)
