The

Ball

08/08/08

On the 8th of the 8 2008 Miss Q's was transformed into a black and white tie event known as the 8Ball ball. As it was the same night as the Olympics opening ceremony we thought it would be most appropriate to have an opening ceremony at Miss Q's Olympics of our own. As people for all around Mandurah come in to Miss Q's in their white tie suites and Formal gowns we were getting our mystery runner with the torch ready, to find out more about the Olympics theme read the MPF update.

There were so many stunning men and beautiful ladies turning up from 6pm. I was informed that a few people went out their way buying and hiring there out fits and of course there were a few ladies going to hair dresses and beauticians to get themselves prepped for the night.

We also had a best dressed competition with prizes being donated from Scusi's Restaurant and Greenfield's Liquor. We had all the men line up in the suits and ties and when did the Miss Q's Cheer O meter with Emma judging who got the loudest cheers. It came down to three guys, Killer, Matt Smith, Paul Bennett, and I glad it wasn't me making the decision as it was a tough one. In the end Paulie came 3rd, Matt smith came second and Killer won the Scusi voucher, oh and yes Killer did come down in a tux and boy does he scrub up great.

Then it came to the ladies, now we thought the guys were hard to judge but the girls were even harder. We had everyone in the venue even the general public joining in on judging these stunning ladies. With the ladies it came down to Dushenka Wood, Tammy Doney and Michelle Elkin. In the end after the roof was cheered down we had Dushenka come third, Tammy coming second and the ever beautiful and pregnant Michelle winning

the ladies best dressed. Thank you to everyone who took the time and effort to dress up.

I must also say a huge Thank you to Emma and Andrea Turner you spend a few weeks getting everything ready for the night. Then when I walked in at 4pm I was blown away with black and white balloons everywhere, steamers hanging eight balls and simply a stunning room. You definitely would not have thought it was a pool hall when you walked in. Thank you so much once again Emma and Andrea you did a wonderful effort.

Well enough from me for this article and till the MPF update, have fun!!

With the derby pool off coming to a close with bulldog pulling away from skip taking the series 100 to 92. It was a battle for both players struggling to find that one game to break open a lead but as the end came closer bulldog found a length and a half and pull away to Skip wearing a good victory, leaving Dockers top for the night.

MPF UPDATE

Hello, hello again people well as most of you would have read all ready on the 8th of the 8th 2008 we held the first ever Miss Q's 8 Ball here at Miss Q's and as it was the start of the Olympics we felt how fitting it would be to hold our own Olympics weekend. So on the Saturday night as everyone was arriving for the 8 Ball we were busy organizing our own Olympic ceremony. Then at 8 minutes past 8pm we had our very own Damien "Bulldog" Baldock run the lap of the hall, in slow mo I might at with our own Olympic torch, Courtesy of Azza's mag torch.

With our opening ceremony over it was time to start the games. There were 13 people who played on the Friday night which we played three games. We played knock out competitions of snooker, 9 ball and 8 ball. There were some very close games and with there being points to be made with each round people were definitely putting in their all. In 8 Ball we had Damo Stenhouse come in 2nd and Ben Dougherty come 1st, in 9 ball we and Bulldog come in 2nd and once again Ben came 1st. Then finally we had snooker, in which Damien Stenhouse came in 2nd and Ben again winning the knock out.

It then came to day Two, Saturday night. We only 4 people come in on the Saturday which was a little disappointing, but either way we all had fun. We decided to start the day with Ben on 20 points, Bulldog on 15, Tony on 10 and Clint on 5. As this was their ranking from Friday night. We played a few games of Football, Cut throat and Killer Pool. Once again where ever you came determined on how many points you received. In the end Clint finished with 70 points, Tony 75, Ben 80 and Bulldog won the weekend with 100 points. With all the money raised it was split up amongst the four players and of course as it was a fundraiser for MPF, we cut our share as well.

So with such a big weekend behind us, MPF ended up making \$72 to go towards the Player fund.

Now our next big event is the 24 hr Challenge which will be held in Saturday the 30th of August which the newsletter would have been out after this has happened so Ill let you all know how it went in the next newsletter.

On a final note we will be holding buy in knockout competitions coming up soon for entries into the Miss Q's Classic which is just around the corner. Anyways people enough from me for this newsletter, Janie - MPF coordinator
