Speaking of Luck, I would like to extend best wishes to all those Leagues participating in the Miss Q's Classic this weekend, Boys & Girls play hard and party harder...

November is going to Rock, lots of finals & huge events so enjoy the read and stay tuned for a Ballarat & Nationals Update next issue.

Vic's Elite - FAR Q 2 Have done it again!!

What a huge year of Elite for Melbourne this year with a huge 14 teams!! Well done to everyone across the states that participated in this awesome competition. What it's all about it the finals, interstate trip and of course New Zealand. Been a 14 team draw, our finals format was a bit different but we always end with 1 winner. For those that were there, it was very intense to say the least!! Our top 4 teams in order of the ladder were, "Loose Cannons," "Far Q 2," "Once Were Warriors" and new comers, "Magoomba's." You all had a huge year and congratulations to you all for finishing at the top of the ladder. After our 2nd week of finals, the same top teams were back to battle it out in our last week of finals. Our two semi's saw "Loose

Congratulations to you all.

Commiserations to Runners Up "Once Were Warriors." You certainly weren't going down without a fight – glad to see! For those of us watching and biting our nails, the competition was fabulous to watch. Of course we also our play off for 3rd & 4th between "Loose Cannons" and "Magoomba's" which was quite a battle with a result of "Loose Cannons" winning 19-16. Another very close match. Congratulations to you both as well. To "Loose Cannons" - You're all a pleasure every week and each year you keep getting closer and closer, maybe next year has your name on it! Smiley faces for you all!! To "Magoomba's" - Your first year this year and boy did you make an impression! Thank you all so much for

FAR Q 2 - Jamey Suede, Jake McCartney, Marc Robertson, Nathan Harris, Brett Daphne, Suzi Yeomans, Graeme Hill & Capt Bradd Hill

Cannons" v's "Far Q 2" and "Once Were Warriors" v's "Magoomba's." "Far Q 2" winning 19-10 and "Once Were Warriors" winning 19-6. This began the match everyone's been playing for. The Grand Final, a match between 2 rivals, and boy did they put on a show. First and second rounds, "Far Q 2" were up 16-4. The next couple of rounds were very close but in the following round, "Once Were Warriors" came back with vengeance winning the round 5-1! This brought the scores to 16-14, the tension was there and it really was looking like a match that could go either way... Maybe we were going to have a play off....? With both teams been able to smell a win just around the corner, it all came down to the last round to decide our Vic Champions. After a very, very long night of 8ball, we had a result of "Far Q 2" beating "Once Were Warriors" 19-16. Congratulations to the reigning Champs, "FAR Q 2," you did it again!! Another challenge ahead yet, but just remember, all of Victoria is behind you!! Again,

the season, it was also a pleasure to have you apart of our crew. I would like to personally thank everyone for participating. It was a very long season this year and you all did so well and should be proud of yourselves. With other finals in other competitions and of course the Nationals clashing with our finals this year, everyone seemed to have a month choc a block full of 8ball and finals and it must have been intense for you all. Thanks again.

Closer to home, thanks to Kerry for the opportunity for us all to play in this competition and of course to The Pool Room and all our sponsors. Couldn't have done it without ya's!! It's time for an East-West Clash, Congratulations to WA's winning team "The Predators," bring forth your best! But it must be said, GO VIC'S!!

and a race to 4. "Leigh" came out with force taking the first couple of frames and by the end of the 4th frame was still up 3-1. "Nathan" then had all the pressure on him as "Leigh" was only chasing 1 more frame for the win. But "Nathan" certainly wasn't going down that easily, winning the next 2 frames bringing the scores level. What everyone that's watching wants to see, a close match that came right down to the wire. The deciding frame of the Elite Singles also looked like it could go either way at the best of times. The tension was definitely on between

the two but there could only be one winner in the end and this time, someone that climbed all the way up continued in the end to take the win. Congratulations to "Leigh Gilpin" this years Elite Singles Champion. Commiserations to the runner up "Nathan Harris," 3rd "Brett Daphne" and 4th "Bradd Hill." Thank you all for your participation this year. Looking forward to the East West Clash and what next year has to bring.

Happy Potting

Vic Elite Singles

L-R: Elite Singles 1st & 2nd
Leigh Gilpin (1st)
& Nathan Harris (2nd)

It was the final, finals of Melbourne's winter Elite. The Singles knockout. With a lot of tough competition, there were bound to be quite a few close match ups. Naturally our top

8 were seeded, but there were plenty of players out of the top 8 that were bound to do some damage along the way. As the evening progressed and the players were fewer, our last 4 players to play off came down to "Nathan Harris" v's "Brett Daphne" and "Leigh Gilpin" v's "Bradd Hill." After a battle between friends, our Grand Final came down to "Nathan" v's "Leigh," and of course we still needed to know 3rd and 4th placing so "Brett" and "Bradd" also had there last chance. The match between "Brett" & "Bradd" (a battle between captains of the same team, last years & this years), could have gone either way. In the end, "Brett" eventually got up on "Bradd" winning 3-2. Now to the big bucks

Don't miss the fun next year! Get your Teams together & bring on 2008!

Howdy everyone!! Last news from me for a bit. The year is winding up and damn quick if I say so myself! Speaking of end of year, don't forget the presentation party. This year will be on Friday 21st

Well done. Huge season everyone, thank you so much for all your support. The East-West Clash is next from 9th - 11th November. Make sure your here to support the Vic's against the WA "Predators." UNDER THE TABLE WITH ANGE

Well it's that time again, first off congrats go out to Prouser's ex - leagiey who's misers Karen had a baby girl. We have to say goodbye to Erin from the bar, and be nice to the new bar staff. Not only do we have big kids who chuck tantrums, we also have people who chuck pool balls.

Just a word of caution do not piss Dave (Wednesday Red) off when he has been drinking, as he will drive to your house and swear at you, and finally he will throw a pillow at you. How many times can one guy beat you holding J's, for more info speak to Hammer. Who by the way was the 1st loser (2nd) in the new Poker league that has just started at the pool room on Monday night's.

We all know of the rude and crude team names about. But there is one that I have to mention that is neither rude nor crude and that is Wednesday Green Two guys by the name of Cam and Leigh, who have called their team Ange's Mates, after about a month of stand up fights in the smoke room..... I won! Surprise, surprise.

All of our best wishers go out to Gerry, who is on the mend after Ballarat.

That's all for now. Cheers, Ange

Hi guys my name is Tamara I'm 21. I'm new here behind the miss Q's bar but I have been floating around the venue since just after this place was born. I work here on Sunday doing a mix of bar and admin duties all a new experience for me but I'm really enjoying myself and having a lot of fun at the same time.

This place holds a lot of fond memories for me not only with everyone here at Miss Q's but of my own. This place has become like a second home to me and I hope that you all feel the same and love this place as much as I do.

Well thanks for listening to me babble I'm sure you have some more important things to do like playing pool talk to you soon guys

Hey gang... Bulldog here with another episode of Around the Table and today I have some highs and a big low. Let's get the low out of the way. On the 28/10 Heather Millington one of our hard working and devoted staff here at the Q had a car accident around the corner of miss Q's and if it wasn't for Shannon Ellis's brave heroics Heather might be a lot worse so well done to Shannon for keeping his head in a tough situation and to Heather from all the cast and crew of this big beautiful building all the best and get well soon.

Now for some better news. A big congrats to Aaron and Tammy Hesketh with the first baby. Miss Q's HALLOWEEN Party Rocks The West

When all things creepy and spooky start to come to life you know it's October 31st, and at Miss Q's Pool & Entertainment Centre, things really livened up. Firstly to all of the patrons who came down to support our Halloween night, thank you and especially to all of those who went to the effort of dressing up you all looked awesome. We had everything from the grim reaper to devils, vampires and tragic death victims. Congratulations to Naomi Whightman & Damien Stenhouse who won our adult best dressed competition and to our adorable she-devil Kyiesha Kelly who won our kids best dressed.

Not only did patrons have to dress up to win prizes they had to endure the trick or treat cauldron which contained all sorts of things both interesting and just plain nasty. To all of those who were game enough to try it and enjoyed it you are just as disturbed as I am for picking the ingredients.

For this event to happen months of preparation was needed not only for prizes and activities but also the decorations. Due to the sheer size of a couple of displays several people volunteered their time to help me put them together. I'd like to thank all of those who helped me without you it wouldn't have been possible to make Halloween what it was. Also a huge thanks to Kerry dePradines Miss Q's manger, without her support and encouragement I wouldn't have been able to run this event at such a great place and have as much fun as we did for Halloween. Stay tuned for our next Theme Night Party at Miss Q's, the Mandurah has been waiting for!
