## HALLOWEEN 2010

"Eye of newt, and toe of frog, Wool of bat, and tongue of dog..." That's right it's time again for some bubble bubble, toil and trouble. Halloween was once more upon us at Miss Q's and by ghosties did we celebrate. Decorations, costumes, games, lollies and of course pool. We had some terrific costumes this year from all ages. Our three

**y o u n g e s t** participants being Lincoln, Nikita and Alexandria were all gorgeous in their little outfits. Our two best dressed kiddies were Skye and Jordan congrats girls you looked great. From the adults we had all sorts of costumes from Freddie Kruger, Indiana Jones, She Devils, Witches, Fairies, a Devil plus a Panda and even our very own Jester. Which brings me to our best dressed winner. Christine Brady came in a full body length, lycra one piece Jester outfit, complete with full face make up, gloves and a hand carved pumpkin which she had carved herself. Christine your efforts paid off, congrats on winning our best dressed. She took home an awesome Pure Blonde esky full of cool prizes. I also have to make a special mention, just when I thought

I had seen everything at Halloween the proverbial kitchen sink walked in to Miss Q's ... A Wookiee!! Yep that's what I said people a Wookiee!! Ben from MIG came in covered head to toe in fake fur and he looked awesome. I will tell you this you haven't seen it all til you have seen a Wookiee play pool :-). A huge Thank you goes out to Greenfields Liquor

Store, without them we wouldn't have any of the amazing prizes that we had to give away. Thanks also to Kez for letting us attack Miss Q's again and by us I mean myself and my awesome trio of helpers. Nomes Thank you so

much for all your help with everything, Az thanks for your help with ideas and ladder trips and Thanks to Morris for being our late night revival decorator. On that note I'm saying Thank you, Goodbye and I'm leaving you with a favourite Halloween quote of mine, til all hallowes eve next year, toodles ... Shadows of a thousand years rise again unseen, Voices whisper in the trees, "Tonight is Halloween!" ~Dexter Kozen - Emz.

## Laura Lea & Dean Out & About Playing 9 Ball

As a Canadian, I have to admit, I never imagined playing a 9-ball tourney in WA! But, on Saturday, October 2, my husband Dean and I found ourselves in Fremantle for exactly that. The venue was the Poolroom, Essex Street. It's a nice venue and they had 16 entrants for the tournament that day. I understand that the turnout was a bit low due to the 2nd Footy Grand Final. It was an opportunity for us to use our 12.5 mm tip pool cues again. (not being a snooker or billiard player in Canada, it took me a bit to adjust to the 8.5 or so mm tips used here.) Upon registration, we received a copy of the rules (dated 1993). There haven't been too many changes since then but one is that you no longer spot a ball potted on a foul. It was a double knockout/elimination format with a \$20 registration fee. All in all, a great experience for us to add to our list of the pool tournaments and places that we have played. Great fun, good people, level tables. Thank you to the Poolroom, Essex Street, and to all of the organizers! - Laura Lea & Dean Bennett

## Emz Bitz

Hey Ya'll, This month I am dedicating my column to the one and only Melmoe!! Melmoe had her birthday this month and did it go off with a bang?? Hell yes it went off with a bang!! How could it not with an awesome bunch of

people, lots of drinks and of course great pool!! It was a pleasure to be serving Melmoe on her birthday, it was funny watching everyone with her and a little weird to be serving my boss lol but it was good to see those who usually dont let loose or dont get a chance to let loose letting loose :-). We have managed to capture some good photos of the night so have look and I hope you enjoyed your night Melmoe, the night may have ended but your memories will last forever.

# Billy's Challenge

October saw the Billy Westons Challenge Team come to Miss Q's intent on maintaining their strangle hold on the perpetual trophy having won convincingly the majority of the challenges since the competition began a couple of years ago. Billy's showed up with time enough for practice before we had to start and even had a substitute player in tow in case of emergency. The games were close across the board and both teams saw one of their members take Biff the Banana for a run to the corner, for getting 7 balled, before the day was over. In the first few rounds we caught Billy's off guard giving them a shellacking on our home turf and by the 4th round already had a good head start when the Billy's crew composed themselves and fought back to finish a round with both sides level pegging at 10 wins a piece. Given the early start we were able to get 11 full rounds in during which the tally's laid continually in our favour if only by a couple of points per round it was enough given our great start to

keep us ahead all day. The final score was still pretty close though Miss Q's 121 v Billy's 99 leaving Miss Q's convincing winners nonetheless. Evan Briggs for Miss Q's and Sam Gilkinson for Billy's were both on 11 wins from 11 games at the end of play and had to play off for player of the match, someone had to drop their 100% win rate and fittingly it was both players, with Sam becoming player of the match at the end of play, well done Sam. Meanwhile Billy's Shakeel played our U12's National Champion Scott Brownrigg best of 3 @ \$10.00 a frame and wound up donating \$20 to the MPF then won \$20 of Kez only to donate that to the MPF aswell. Cheers to Shakeel from the MPF for your \$40 donation on the day we are grateful for your support. In closing I'd like to thank the Billy's players for their sportsmanship and great matchplay on the day cheers. And to Miss Q's players well done in getting our trophy back, let's keep it this time. Till next time Az.
