Vol 7. No. 8 September 2006

Editorial:

News Flash, News Flash!..... It is with absolute delight, I announce that 'FARQ2' will be returning to Mandurah to represent Victoria in this years Premier Elite Tri State Clash!!!! How appropriate that on the 5 Year Anniversary of the Premier Elite League, the first team ever to travel to Mandurah back in 2003 are returning with a slightly different lineup and a couple more players to boot. Congratulations FARQ2!

Well, August was a month for champions starting with the Miss Q's Challenge Team that took out Pot Black Gosnells on their home ground, a huge feat indeed and the first time in the history of all the Gossies/Miss Qs Challenges that any team has won an away match, well done WA Leaguies a gallant effort and congratulations to Carly on her sterling effort of organising the first ever Away Champs Team, keep up the great work young en.

I returned home to Vic for the start of Elite finals fever and what an exciting journey it was this year. A quick look in on Ace, Lofty and the SA crew playing at Kings Entertainment Complex in the Oceania 8 & 9 Ball & the Australian 9 Ball Championships, led to quick chin wag with Mal Gilbert and it seems the Maccabi Challenge will be on again in 2007. Fantastic news after a two year break.

Then, Elite Grand Final Night at the Pool Room, the Semi ran glitch free and a group of very special SA & Kiwi guests including our very own A Towns Mandy Pants had turned out to watch the battle between 'Just Good and FARQ2' when the power went out! Well what a disappointment, how often would you have Alec Evreniadis from SA the current Tri State Clash title holder with Jimmy Henry & Chris Bowen from the Auckland Bulls the current Premier New Zealand Challenge Champs, in the same room in Victoria on Grand Final Night? Never! So you can imagine every ones disappointment when 45 minutes later Pool Room Management announced the power would be out for a minimum two hours and they would be closing. Everyone collected their gear and proceeded to leave, when Wha-La, the lights came back on, a cheer went up from the crowd and the Grand Final was back on! The matches were awesome and regardless of the score line being 19 - 9 every game went to the wire, fantastic spectating. Again Congratulations to FARQ2 & commiserations to Just Good and thanks for such a great show. The most successful season ever, was coordinated by Leanne Shield and from what her players say, she runs a top show which made it all the more pleasurable for those playing. Well done Lea, to get the likes of the Eastern states Elite Players to give a wrap like that, you have truly done Premier & yourself proud.

Wow! What a whirlwind of activity, not to mention the great quality time I got to spend with Mandy & Lea, the brainstorming and meetings that went on are sure to produce some fascinating improvements and surprises in 2007. Thanks again ladies, I look forward now to heading over to Adelaide for their Elite Finals series at the end of September, that's bound to be another adventure of gargantuan proportions!!!

Vic Elite 2006 Finals

Elite Leagues across the States are coming to an end and we have our first Champion Team results from Melbourne. It has been a huge success here in Melbourne throughout the whole season. We have had a very steady season with some fabulous weeks of play. Congratulations to you all!! We couldn't have done it without all your support and feedback to better the Elite Season. You should all be so proud. I know I am!!

We also had some visitors to Melbourne for the Victorian Elite Grand Final. Our beloved Kerry was here to kick everything off, and Mandy also came over for the ride. We also had some players from SA and all the way from New Zealand! Thank you so much for coming guys!! It was great to catch up with some faces I knew and also meet some new ones. We were very lucky to have you here and all your support. Or maybe you were here to check out your competition..... Either way, glad to have had you here!

We have just finished our 3 weeks of Teams Finals and what a result we've had! "Just Good" and "Far Q 2" after Round 1 results, were straight through to the Semi's in week 3. "Empty Pockets," "The Token Brothers," "3 Parts Tanked" and "Rent a Drunk" also had exciting first rounds, as they all won and we're back very strong for Round 2. "Loose Cannons" took on "The Token Brothers" in a nail biting Match where the end result was 19 - 16. "Sarah's Team" took on "3 Parts Tanked" and they drew!! How exciting!! It came down to a Top 5 play off where "Sarah's Team" took the win. Then it was really down to the business and money end of things as we were now up to the Semi's and then the Grand Final. "Just Good" and "Loose Cannons" went head to head with an end result of 20-10. "Far Q 2" and "Sarah's Team" had the quickest Semi I've ever seen, with a win of 19-0. "Far Q 2" What a huge effort! "Sarah's Team," my heart went out to your all.

We were just about to get our Grand Final and play off for 3rd and 4th started when we had a blackout. Yes that's right, no light!! The rumbles in the dark began and we were slowly been asked to leave as we would soon be out of emergency

Check out the calendar of events, there is a mine field of Cuey things to get involved in over the next couple of months. Get into it, it good for the soul. Till next month, enjoy your table time, good luck in finals and may the player who has the most fun win :-).

Happy Potting Kez.

lighting when, "woohoo," the lights (and noise) finally came back on after 45mins of darkness. Then a rush began to call players back to the venue that had left so we could continue our finals. Some luck was on our side as we had not begun any of the matches. Now it was Game On!!

"Loose Cannons" and "Sarah's Team" battled for 3rd and 4th placing, "Loose Cannons" winning 21-8. Congratulations guys!!

The Grand Final, wow, what a Grand Final! "Just Good" and "Far Q 2" were both in contention for the big win and the pressure was on. At the end of Round 1 "Just Good" took the lead 4-2. "Far Q 2" came back with fire in Round 2 and took the lead 7-5. In Round 3 an even split keeping "Far Q 2" in front 10-8. Been at the half way point, neither teams wanted to take a break they just wanted to keep pumping the games through. Round 4 was a turning point for "Far Q 2" taking their lead to 15-9 and the pressure was surly on for Round 5. Unfortunately everything was all over for "Just Good" as "Far Q 2" had heads down, bums up and turned it all up during this Round taking their win to 19-9. Huge!! (and very loud and full of excitement). What a long night for all that played and a huge effort made by "Far Q 2." Again, CONGRATULATIONS "FAR Q 2." You guys are the bomb!! Commiserations to "Just Good." Awesome season everyone. Thank you so much for being apart of Vic Elite 2006. It was my pleasure being your League Coordinator for the season. I am looking forward to being apart of "Far Q 2's" demolition of the SA's and WA's in the Tri-State clash at "Miss Q's" in Mandurah in November.

Good luck to SA and WA for their finals that are yet to begin, and one thing to remember, BRING IT ON coz the Vic's are coming to get ya's!!

Lastly but definitely not least, a huge THANKS to Kerry for giving me the opportunity to be apart of such an exciting event, each year just gets better and better! So looking forward to next year's season!

Once again, Go Vic's Go and watch out SA's & WA's coz FAR Q 2 are gunna rock your world!!

VIC Update with Leanne

Woohoo!! Another month flying by and a very exciting one at that. As we venture closer to Christmas, Elite is wrapping up around the States. Very exciting stuff!! To Elite Leaguies, Congratulations Ladies and Gents. A huge season full of laughter, tears and on most occasions, a lot of alcohol! We have now completed our finals and have had a huge result of "Far Q 2" taking the cup against "Just Good" 19-9. Mammoth!! Big results for big efforts. Thanks again for the opportunity to be apart of your season, and I'm so looking forward to being apart of the Tri-State Clash. Well done to all!!

To Social league finals, firstly we've had Wednesday Red League step up to the plate. Our Team Champs were "Sadim 2," Runners Up "A Man & His Chook," and 3rd place takers "Murray & Michael." To singles, Champ "Benny Blood," Runners Up, "Chris Kilmecki" and 3rd place went to "Corinne Gallet." Sunday Red League has also been in the battledome. Team Champs "Nut Flush," Runners Up "Flying High" and 3rd place went to "Adam & Brad." To singles, Champ "Michael Papier," Runner Up "Brad Pratt" and 3rd place "Jasen Rengasamy." Congratulation to all of you!!

Here we have junior leagues about to begin. Please make sure you tell all your friends and bring them down to be apart of the enjoyment.

Lots of stuff happening around the States wrapping up the end of the year, so make sure you have a read and mark dates in your diary now so you don't double book!!

Well, enjoy your month folkies, play hard, stay safe and have fun and see you all around the floor!

Premier Elite Update

(Lastly but not least)

Team 1: Nothing But Wood

Hey, hey it's the best team in the comp, well the name says it all "Nothing But wood, and spoon that is...."

We consist of Ben (Keyzi) Rose, Adrian (Couta) Eisma, Steve (Tycoon) Jando, Steve (Big Fella) Spoor, John (Yoni) McKenzie and Brendan (Skolzy) Skoles. We are all about kicking ass and taking names. Come get some!!

Ben Rose

Team 7: Chicks in Charge

Chicks In Charge..... mmm girly Team. "If you girls all rock up dressed in leather we promise to throw all our games!"

Believe it or not, that was mentioned this season (and if it hadn't been such an expensive exercise, we would have!)

No, really, our team has some decent talent and up and coming talent.

We are made up of Leanne Shield (the most original 'Chick In Charge' aka "Leroy"), Serena Bate (aka "Milfie"), Kerryn Schneider (aka "Tits Magee"), Lauren Jando (aka "Lick My Box"), Rosie Grove (who replaced Mandy aka "Pants") and me, Nichole Pisani (the newer 'Chick In Charge' aka "Nanna"). Our motto this season has been to have fun but also to take as many casualties as possible on the way!

Team 10: The Token Brothers

Leigh Gilpin: Played for 19 years. Goal: To make it look like I've been playing 19 years!

Jasen Rengasamy: Played for 8 years. Goal: To find a cue that works and to stop smashing Parris cues!

Graeme: Played for 30 years. Goal: To learn how to play!

Rob: Played for 2 years. Goal: to go out and have a beer with mates.

Steven: First year playing. Goal: To learn how to play consistently and have fun (winning would also be good!)

Team 12: The Pool Room

Gee, what an original name... how did we ever come up with that!!

This is our first season of Elite with a team made up of a bunch of newcomers (or guys roped in by Dean). Our original captain "Dean" has moved on due to injury leaving me to captain the Team of; Jade Walker, Dave "Can I play all my games first? I have to work" Armstrong, Matt Rawlings and Ben Hall. We have had various people subbing for us but being one man down, we are always on the lookout for someone new to fill the gap.

We would like to thank Marc, behind the bar, for all his support. This team wouldn't exist without him. We may not be the best team in the league right now, but we are looking forward to learning more and being a stronger force in the future.

Go Roomers!! Clinton Lowden

I HEAR WEDDING BELLS....

Huge CONGRATULATIONS to "Cheryl & John" who will be tying the knot in March 2007. All the best for the future & especially the big day!! XXXOXOXOXOXOXOXOXOXO

WA Update with Carly Beesley

Hey guys, well another month another newsletter! As I told you all last month we, Miss Q's, were heading up to Gosnells Pot Black to reclaim our trophy. As most people over here have seen it on the bar...WE WON!! By 24 games if you don't mind not bad eh?? There have also been some very close finals this month and the newest league, our juniors, has started. The Cowboys & Indians night that we had was a blast, we had some funny buggers out that night hey Chels?? We also have some very exciting parties coming up stay tuned in the events section. Also our little Miss Q's mascot, Tarrjh, turned one earlier this month and our very own Renee had her birthday too. It's been a big month can't believe newsletter time is here AGAIN!!! Ahhh well this is my second newsletter and I'm having an absolute blast over here running a muck. Til then guys, Game On Moles...Carly xx

League Finals Fever

Well August has seen a couple of finals this month, Monday and Wednesday Blue. Wednesday Blue was first up with some stern competition. Puss Nuts and 2 Balls 1 Cue was up for the challenge though, we also thought the youngins from Undefined had a chance too but unfortunately they were booted out in finals. But Clinton and Jack, great effort these boys were the youngest ones in that league. This year though it was Glenn and Trent's turn to claim the Doubles Title. Single was a different story however, there were a few people in that league who didn't show up but all in all the top 4 arose to play some great pool. The Grand Final came too Glenn Harry and Rob White, Glenn won all in all. A double win for Glenn WELL DONE!! Unfortunately though we are losing a few of our best players, Rob and Sean (Puss Nuts) are having a couple of years off to spend with their young families. Monday Blue was also a tough one for competition, the doubles finals were rather eventful shall we say with a few of the bottom teams arising for the challenge to claim the title, but unfortunately they were knocked out. The Grand Final came down to Dymytron and James & Ian. Dymytron claimed the title 7-3. Singles finals the following week was completely unpredictable, The top 4 changed place and the Grand Final was left with Peter Sutherland and Alfie Dmytryk. Disappointed but happy to have made it that far, Alfie walked away with 2nd, our Singles champ this season was Peter Sutherland. Congratulations to you all I must say guys a rather eventful couple of weeks for finals!!

Meet the W.A. Elite

Team Name: 4 Holes and 2 Sticks
Team Players: Carly Beesley (C), Emma Strother, Peter Sutherland, Dean Donker, Bryan Mills and Allen Mills
Team Profile: Considering this team joined just 5 weeks ago after taking over for another team. We're a bit of a weird bunch really (even when we are sober!) Keeping the team alive and competitive is the fiery but beautiful captain Carly Beesley. Keeping the team in shape, with strong players, 4 Holes and 2 Sticks is a combination of players whether it being a tapper, Dean, to a basher, Emma. With a hint of precision, Big and Little Mills, and a plain all-rounder, Pete. We aren't short of a pretty close nick team. It's an experience a half being part of this team. We are the team to rise up to the challenge. There are two things we want and that is to win and be number one!! So from all of us here in 4 Holes and 2 Sticks a very enjoyable and memorable Elite season. Good Luck to you all...you may be seeing us sooner than you think.....

Team Name: The Nines
Team Players: Paul Anderson(C), Aaron Green, Antony Fedele, Michael "The Hammy" Hamilton, Brendan Poper and Rob Stewart
Team Profile: Most of the "Nines" boys come from, or went to school in Pinjarra. We're a bunch of local misfits that enjoy a good laugh as well as a good game of pool. Paulie is our courageous Captain who helped us decide on our inventful team name. We are currently 5th on the ladder and we reckon we're good enough this season to make at least the semis! Our team moral and spirit is high and we've all become good mates through out the Elite season. We all play a good game of pool with a good mixture of skill, humour and in some cases- a fair amount of arsey wins!! We hope our good streak carries through out the season, look out for us in our stylish white shirts. We look forward to playing a good game against ya's all soon!

Killers Hints & Tips:

When playing Pool, try not to do Masse's on the table, you might rip the cloth.

With your own pool cue try not to hit some one you might break it then you will have to buy yourself a new one!!

The Gozzies Trip

With a squad of 25 we headed up to Gosnells with only 1 of our cheerleaders as the other one was asleep!! Oh the bus also lost a tyre, damn Gosnells assassins, the standard of competition was impeccable especially the juniors I mean WOW!!! Don't get me wrong though, the adults were also of a very high standard. In the end result Miss Q's won by 24 games – YAY!!! When in the middle of the second round we were 14 games down. As we heard from Clint all day "On the cunners" Yes Clint that's Elite hunny!! Many thanks must go to Kerry for organising the event, Clint for being the bus driver man and also Antonio and the crew at Gozzies for having us and holding a very successful competition. Better luck next time guys – cya in November on home turf to keep to trophy 3 times straight!! CMONNNNN!!!! Oh and to those of you who attended and saw me in short shorts, it's NOT i repeat NOT happening ever again !!!

News from A-Town

Well my little friends it's that time of the month again - that time where I sit in the office and type this out and you all hang outside the office door, drinking, playing pool and generally having a good time. Our mid year presentation party has been and gone and I must say I had a cracking time - we had the biggest turn out of leaguies and it did seem like everyone had a great time. There was no dress theme for this one as the last couple of parties no one has listened to me anyway and just worn whatever they wanted (don't think you'll all get out so easy at Christmas time guys!). Our very first Junior league were with us this time and all my little champs got some cool little medallions. The pizzas were devoured in record time, the trophies were more than well received, and all in all a good night was had by all. Thanks guys to another great party.

We had some finals played out over the past month and yet another Sunday Blue League has come to an end. Our wonderful Team Tasman took out top honours for our team finals over a graciously defeated SUPAAFTMSS. When I say graciously defeated I mean Jamie only chucked a spaz for about 3 minutes compared to his normal 6 or 7. In our singles it came down to 2 players from our winning team **Brad and Shannon**. Now let's just keep in mind that Brad was extremely hungover and Shannon was working well on his hangover for Monday. Both boys played extremely well but it was our little Braddles that won. Just have to say Brad that we were all sorry to hear that you'd lost your job, but congratulations on getting that job delivering pizzas, and then we were all extra sorry when 2 days later your car got stolen. Yes it does sound funny, but we really were sorry honey!!!

For our Sunday Black league (team final results still pending, all thanks to Kelvin), singles kicked off to a smashing start with me being beaten by a 15 year old with a smart mouth and bad hair - yes Marilyn I'm talking about you. Phu was really hungover and got smashed by Dave, but using his double chance very well, fought his way back into the game by beating Aaron (who had actually knocked out the sleepy Colonel Mustard!). **After a long match it was Dave who came out with the victory and Phu was sent home with a respectable second and a headache.**

Before I get into upcoming events, it is my turn to give a warm welcome to Renae, who has started to pick up my slack in the last few months. I know most have you have now met Renae, but let's make her life a little easier and not give her as much shit as you all manage to give me. It's a pleasure to have you on board honey.

Guys there is so much happening over the next 2 months so get you pool/drinking/travelling hats on and lets get the party started. Well done to all the teams involved in Melbourne's Elite Finals and

congratulations on a great season all round. Adelaide's Elite finals are only around the corner so let's get ready to rumble guys. Ballarat is coming up guys October 7th and 8th so get your entries in for that one. The Nationals are being held in Darwin just after Ballarat so let's get behind the boys and girls for another SA storm. And it just keeps going..... November will see the Miss Q's Classic go off yet again, followed closely by the Elite Tri State clash held in sunny Mandurah (lets not forget Melbourne Cup is in there too!!!). So guys put your heads down and your bums up cos there's lots and lots of pool to be played and fun to be had! See u suckers later!!!!:xxxx

Presentation Party Pics

A great party guys. Thanks to my lil helpers Dave, Liza and Paul - I couldn't have done it without you - except maybe Paul... he couldn't work the camera....

And the award for worst photo ever...

Meet Renae!!

Hi my name is Renae and I'm helping Mandy now with the social leagues, so don't be afraid to ask me if you need anything. I'm a mad Holden's fan and love a few

"social" drinks (Jacks). I'm a firey aries that loves a good challenge so come and give me a game and have a drink at any time. The social leagues are a great way to make friends and get to know the game. I've only been playing for about 2 years and never had more fun, as everyone here is willing to help and they're all very friendly. So relax, enjoy yourself and knock back a few, cos that's what it's all about! Cheers, Renae.

Premier Elite Update

Meet Team

Wankers Inc.
This team of scallywags consists of Guy Chuckles Moriarty, Adam Stuart Little Groves, Brad Braddles Trewin, Steve Dictionary McQuarrie, Peter

Kolla Kolovinos, Mandy Pants Collins, Peter ADD Mackie and Andrew I'm never on time for anything Gaetjens. Basically if you don't have a nickname, we're going to give you one and it's guaranteed to be bad. These guys are here every week because I needed a team to put in, and they were basically scared that I'd stab them if they didn't play. They always whinge about playing, but they never want to loose and still give hi fives that leave me with a rash every time they win a game. All in all, we tend to have a good time and more than a few laughs every week. However I see it as unfortunate as most of these laughs are at my expense. To my team mates, thanks for a fun season and cheers for not dropping me. Mandy Pants. Just for the record the team name was not my idea, however it has been discussed and we've decided that Braddles

would be the biggest wanker out of the team.

Meet Team

Seven. Yes that's the best team name we could come up with (or at least the best name we could agree on)! Our team has myself (Steve), Mark, Matt, Tom, Courtney & Jess. Basically we rock up every week to donate something to the prize fund, smash some balls around and play some buckhunter. Unfortunately we really have no chance of getting past the first round of finals, but we're here to learn and we are fortunate that there are so many players willing to help us out. We'd all like to say that our games have improved but I think so far we're yet to reap the benefits. Oh we're also here to start the weekend off cos it's ok to be hungover at work on Firdays! Cheers, Steve.
