10 Years & Still Rocking!!!

It was certainly appropriate that the Miss Q's 10th Birthday bash was by far the biggest & most celebrated event we have staged to date :-). Everyone rolled in from as far East as QLD & VIC & as far north as Geraldton & the Big Smoke Perth all dressed to the nines in their best purple & gold threads. Faces that celebrated the grand opening in 2002, were spotted through the crowd including original Manager Sharon Cooper with long standing patrons Dan Whitehorn, Mick Cooper, Gary Wightman, Naomie Roper, Emma Turner, Roy Wootton, Cody Sweetman, Melissa Smirke as well as the multitude of Premier League Members & Miss

Q's Patrons from the old days on Pinjarra Road & the new days here at Reserve Drive. With tunes pumping & drinks flowing Miss Q's was the Hottest, Happiest location in Mandurah that night!

Everyone was greeted with a free drink and 10th Anniversary Commemorative Cue Towel & Ma/Andrea busily prepared hot nibbles for the party revellers whilst Az, Gordon & Tammy served the hard stuff at the bar. Guest hosts Greg, Dave, Ang & Jackie worked the floor sharing lots of laughs & the infamous Birthday Jelly shots. Steve Dix, the Guest Entertainer amazed the crowd with his Magic & Illusions keeping everyone intrigued & guessing.

the long standing & incredibly supportive Sponsors & Suppliers & of course the hard core Miss Q's Patron Base were Cheered & Applauded until the very end. The Best Dressed Adult Awards won by Ang & Rob & best dressed Juniors won by Alexandria & Russell were chosen by Guest Judges JR, Batesy & crowd support. The Amazing Adult Door Prize supplied by Greenfield Liquor was

well sought after & won by the lovely Amy Williams & Juniors Door Prize kindly supplied by Coke, V Energy Drinks & Peel Confectionery, was won by Levi Hiron.

The most thrilling highlight of the night was when Emz presented the most a m a z i n g ,

GINORMOUS Scrap Book full of photos & memorabilia from the 10 years Miss Q's has been doing her thing & it was the most touching, thoughtful gift that would have taken many many hours to put together. The pages oozed with the love & joy only a place like Miss Q's could possibly create with the help of all the members that make Miss Q's come alive every night. And if that was not enough excitement Amy & Brent sealed the deal bringing out a huge Birthday Cake that was delicious & enjoyed by all. A truly amazing night!

My most sincere & heart felt thanks to Emz who documented our journey & to every staff member, volunteer & valued member that enabled this journey to be.

Cheers to the next milestone.....

The all new Snooker Table was a smash hit, kindly supplied & installed at death knock by 'The Pool Table Man' as was the Grand Stand Seating assembled by Matt Gradussov, Kim Buchholz with their assistants. Everyone raved about the freshly clothed tables that 'All Star Pool Tables' aka JR, John & Batesy with help from Killer, Adam, Jesse & Damo ensured were ready to go for the big bash as did Pagey who painted, de cobwebbed & attended to every detail to ensure the room was beautiful. The Amazing Deco Queen Emma Turner & her assistants, Nomes, Amy & Ma had balloons & streamers in every corner of the room making sure everyone knew this was the BIGGEST Party in town :-)

Premier ALL STARS

The All Stars this month were treated to their first Guest Coach in the form of John Russell. (J.R) is the former director of coaching for Australian 8 Ball and was a part of the only Australian Men's Team to ever win the World 8 Ball Title. J.R spent the afternoon enlightening the All Stars imparting his wealth of knowledge relating to table manufacture & history of the equipment we use, then covered cueball control and played each All Star, some of us in the dark due to a huge storm that knocked out the power forcing us to move a table into the lobby in order to continue his coaching clinic making it a valuable interesting and memorable clinic for all. J.R also stayed on for the 10th Birthday Celebrations at Miss Q's and saw the All Stars presented with their very own Personalised All Star's Commemorative Cue Towels. The All Stars now embark on two massive months of Challenge Matches so stay tuned for more updates & to find out how to join us as an "Honorary AllStar" for our Perth Challenge.
