National Junior 8 Ball Championships with the 2013 Australian U/12 Runner Up Alex Kingsbury

Tuesday 8th January 2013

Today I flew to Adelaide to play for W.A in the junior nationals. The plane ride was really cool since it was my first time on a plane. The plane ride took 2 1/2 hours and I sat back and enjoyed the ride. When we landed I was very excited to see my hotel that I was staying at. When I got to the hotel they told me what room I was in and I was sharing a room with Ben Foster and his mum Rose. After we had settled in we headed off to the pool room that we were playing at to see what the pool tables were like. Lucky for me, the tables were identical to the ones at Miss Q's which definitely gave me an advantage. We stayed there for a while and then we came home and went to bed at 12:30 that night and Ben went to bed at 10:30.

Wednesday 9th January 2013

Today I woke up really early because I didn't really sleep well. After I got up, everyone from WA came over to our room to have breakfast, we had bacon and eggs on toast. After breakfast we went to the pool room to practice for the day. My first game was against Stella from WA. I won 3-1 and it was a challenging game for both of us. My next game was against Devlin Praegar from VIC and I lost that game 0-3 because I didn't play very well and I lost because when he was winning 2-0 I wasn't very calm. I learnt that if i was 2-0 down I still had a chance to win. We went back to our rooms that day and we then went to the Pizza Restaurant. The food was very yummy and I really enjoyed it. It was a very fun filled day. We went to bed at 11 o'clock eager for the next day.

Thursday 10th January 2013

Today I woke up at 7:00am and I had breakfast. I then walked from the hotel with my dad to the pool hall and started to play some practice games. My first game was against Kyle Thomson from QLS and I beat him 3-2. I think this was one of the best performances throughout the holiday. My next game was against Nikolas Burnett from QLS and I won 3-2 and we both played extremely well. My next game was against Patrick from NT and I won 3-2. I then played Morgan Evans from NT and I won that game 3-0. That afternoon I went back to my hotel after winning 4/4 games. That night we then went to the pizza restaurant again and had some delicious food. We went to back to the hotel room and watched some TV. At the end of the day I was second on the ladder and very proud of myself. That night I went to bed at 10:30.

Friday 11th January 2013

Today I woke up at 7:30 because I had my first game at 9:00 in the morning. I had my breakfast and then made my way down to the pool hall for a exciting day. My first day was against Jonty Mciver from Tasmania. I won ended up winning that game 3-0. I was very happy with my result as it allowed me to become first on the ladder. My next game was against Emanuel Lockley from Tasmania and I won that game 3-0. I was very proud of myself. My next two games that day were supposed to be against NSW but sadly they were unable to participate in the competition, this then resulting in me having two bye's for the end of the day. Dad and I then took the tram into the city of Adelaide and we went looking for souvenirs for our family. After we had finished we went to the Adelaide Soccer Stadium which was called Hindmarsh Stadium. We bought our tickets and made our way into this massive stadium and went looking for our seats. We watched Adelaide United vs. Perth Glory and it was an awesome match to watch. The final score was 3-2 to Adelaide United. We went home feeling excited about the day to come.

Saturday 12th January 2013

Today I knew it was going to be a fun day. It was teams day and everyone from WA came over to our room and we sprayed yellow hairspray in our hair to represent WA. When we got to the pool hall we started to practice on the tables. Our first opponent was SA. I won 2 out of 2 to help my team win 12-5. It was a great win and we all played well. Next we played Queensland. I lost both of my games and we lost 10-7. Next we had to play Victoria. I won 1 out of 2 but we lost 11-6. Next we played NT. I won 1 out of 2 and we won 13-4. Next we played Tasmania. I won both of my games and we won 12-5. Next we played ACT. I won 1 out of 2 and we won 15-2. Sadly, we didn't make the finals but we finished third. At the end of the day we went back to the room and watched tv. We went to bed at 10.30pm.

**Sunday 13th
January 2013**

Today I woke up at 7:15am and I knew that I had to win all of my four games to finish 1st on the ladder. My first game was at 9:00am and I

was versing Danyal from SA and at the end of the game I had won 3-2. I then played was against Aidan also from SA. I won that game 3-1. My next opponent had only lost 1 game in the whole tournament so far and so had I so this was a pretty important match. Who ever one this game would result in being first place on the ladder. At the end of a well fought battle I had won the game 3-1. It was an awesome game and I think that I played really well. My next game was against Josh Burnett from QLS and Josh had just beaten Stella 3-2 before my game. Josh was winning 2-0 against me and I ended up winning the game 3-2. It was a

very close game considering Josh is 8 years old. At the end of the day I won all four of my games and I needed to win my game tomorrow to help me stay first place. Tonight I went to bed at 10:30pm feeling very happy.

Monday 14th January 2013

This morning I woke up at 7:30. I knew that today was going to be a big day for me as I had to play one game this morning at 9:30am against a girl named Isabella from VIC. If I had won that match I would finish first on the ladder and fortunately I beat her 3-2. It was a close game and I wasn't playing well. My next opponent was Kyle Thomson from QLS and it was the finals and it was a race to 4 games. I won that match 4-1 and went straight through to the grand final. Kyle had to play the winner out of Nathan Miller from AST and Stella from WA. Unfortunately Stella lost and Nathan versed Kyle in a race to 5. Kyle won 5-2 and is playing me in the final tomorrow. The final will be a race to six and it will be a great game. After I played my game against Kyle today, my dad rang Az and told him the good news. Tomorrow will be good fun and I don't mind if I loose. My goal was to try reach the grand final and I achieved that. I am quite disappointed that this tournament is coming to an end because I really enjoyed making lots of friends and I hope I do well tomorrow.

Tuesday 15th January 2013

Today I woke up later than usual because my final was at 10:00am when I got to the pool hall I had a bit of a practice hit and I tried some pots and I was potting really well. Before the final this lady named Margaret from SA walked me and Kyle up to our seat and told everyone to stand for the National Anthem. While that was playing I started to feel the nerves kick in. The grand final started by Kyle winning 3-0 then I won the next 3 frames to make it 3-3. Then Kyle won the next game to make it 3-4. I then won the next frame resulting the score in 4-4. Kyle won the next 2 frames and won the championship. I got runner up and at first I was really disappointed because I played well throughout the competition and then I lost the grand final. That was my first nationals and I had a great time and I am very please with myself. Tonight after the presentation party the WA team and a few QLD's played poker and we had heaps of fun. I have really enjoyed my time hear and I hope I can do it all again next year.

2013 Chupa Chup Cup - Geraldton

Well yet again after a quality team qualifier won by Michael Shuttleworth with Evan Briggs as the

runner up we had a very strong team on paper and thought our chances good for the win even on Geraldton's home turf. We prepped for the trip and on the Friday of Australia Day long weekend we headed to Geraldton with hopes of returning with the cup and leaving only shattered dreams with Adrian and the rest of his gero clan. The Traditional Friday Night Knockout was attended by most of the people who were to play the following day and was won by Ben Foster of Geraldton. Saturday morning after breakfast (Thanks Pagey, Shutts, John & Damo for the cooking on the weekend) we headed to the Italian Club and prepared for battle for the "Magic Cup" the first round played quickly and fell in Gero's favour 13-7 and that set the scene for the day with the majority of the following rounds sharing the same score giving Geraldton a comfortable buffer going into the afternoon session and eventually taking them

across the line. Presentation followed and Geraldton had a surprise for us, although we had to leave our "Magic Cup" the losers now have a trophy of their own to take home. After the last Challenge Match Gero's Chris Simmons (Simmo) was so devastated at their loss he burnt his cue with the help of Frank Fondacaro & the Geraldton Crematorium and the remains now live in a cup all of their own "The Ashes Trophy." Great trophy :-). Love it, can't wait to give it back ha ha ha ha ha. The Final Scores went as follows Geraldton 176-124 Miss Q's well done Gero. Player of the match was Jason Jelly Kelly with 13 from 16 and for Miss Q's was Aaron Goodridge 10-15. The Saturday Night Cash Knockout was dominated by the Miss Q's Players with only a couple of the Geraldton players remaining at the quarter finals and was eventually won by Jayden King with Rosa Chour Runner Up, the two of them knocked out the

The Miss Q's Challengers

bulk of the Gero team to get there well done guys. A Big thanks as always go out to our Geraldton brethren for what is always a fantastic weekend of pool and celebration and also to the Q's crew who I hope will be here at Miss Q's to help secure the cup again.

Till Next time,
Az.

Hey guys, sally here. As you know some of us miss q's players headed off to Geraldton this weekend to play in the chuppa chup

cup against some of Gero's finest. The trip up was cool with great weather and awesome company. The hotel was beautiful and relaxing. Game play was fantastic as we all played great pool, especially the juniors who definitely helped in the outcome score. Even though we came second we still came home with a well deserved ashes trophy thanks to simmo. All in all it was an awesome weekend and a huge thanks to az for everything. Can't wait for the next challenge on home turf. - Sally Shutts.

Started of on friday for gero with pagey And my nephew stone going to kick some gero butt we had a knockout comp

on friday night I won my first match then I had too play adrian he won the first one I won the second one then he beat me again two more times he won three one I was knocked out awesome night though saturday rolled on and we started the challenge it was pretty close all the way until the end when gero took back the cup but we got the ashes thanks to simo for burning his que when they lost to us in the last challenge all in all I had a fantastic time can't wait for the next one thanks Az - Toothy out

The trip was great. Although the sat morning session a lot of us really struggled Just could not put it together. 1 out

of 5. After lunch I game within one game of 50% which was the base target to get. I did manage to beat Adrian though.

Which of course was the highlight of the weekend All in all well worth the effort. Thanks for the opportunity... John Taylor

Hey guys and girls adam here just thought i would tell you all about my weekend in geraldton. well

it started with a slow paced trip up there with some good company and some good food along the way and the hotel/motel we stayed in was fantastic well after everyone got settled in anyway. then the big day came of the comp and it was very intense the whole way through but they managed to pin us at the post and gain victory but thats alright we'll get it back at the next challenge. before i forget i would like to thank all the gero players for a good weekend and a big thanks to Az for setting everything up and thanks to all the cooks in the mornings the food was great and feel free to cook for me anytime and i think on that note i shall be off and i'll see everyone on the tables cheers for reading guys have a good one. - Adam Caldow

Hi All, The qualifier came and went and saw Miss Q's put together a quality side. We all packed up the cars and

started heading off - apparently not the way in which Az told us too. We took the coastal drive, which was as boring as hell. Two quick Pee stops and we were there, relaxing in the pool. The cash comp was my first chance at getting on the table and although I practised well I got knocked out first round. We had an 'early' night to ensure we had heaps of sleep for the challenge and before I knew it, I was losing my first game. The day continued in that fashion, and although I took 3 games (out of 15 - poor effort- did I mention two were defaults?) I had played some great shots, good games and made friends with the bar maid. We did get to celebrate Shutts' birthday and have a good time! Unfortunately no Magic cup came home with us, but they're down here next time and I know these tables better then they do! - Ciao for now Suzie Q Gibbs

What a awesome experience. Started with a wicked drive up with cool dudes and gal, t h e

accommodation was top notch and we made sure we did not compromise this time as Az's punishment by death approach has merit, lucky all lives were spared.

Match play was everything we knew it would be, tough very tough, the gero boys and gals were taking no prisoners. It was taking it toll on more than one of our players but to all our guys credit no one gave up fighting till the end.

We didn't get the result we wanted but well done to all with Evan and Az leading the way well done guys.

I would like to thank Az and Kez for the wonderful weekend that everyone should remember, many thanks to Adrian and adele for the hospitality (adrian should have had you damn it). Also thanks to the gero players you played awesome.

Anyway Qs stars lets not let that result happen again and when they come down here they can go home with there ashes between there legs. - Gero trips rule - Micahel Shutts

Chupa Chup Cup Cont.

What a weekend ! This year for the gero challenge I decided to go along for some moral support (and southern comfort) and to see what gero was all about. We left rather early on the Friday full of excitement and we couldn't wait to get there. Once there we enjoyed the pool at the hotel, a few games of pool and a few drinks to celebrate. We came home with a trophy, unfortunately though it was not the right one. A good time was had by all. Next time we will be swapping trophies for sure!!! Cheers Nat

Here everybody, Rosa here :-)
Started off with a awesome 5hr car trip with Sally and the boys in a

different car with lots of smoko breaks. Arrived at the awesome broadwater hotel and got settled. The big day was loads of fun with lots off awesome pool played, and resulted in us taking the ashes home and great effort from gero. Peace out

On a Australia day long weekend 20 of miss Q's strongest players went to Geraldton for the Geraldton

challenge I travelled in pagies car with Damo,Evan and pagie it was a six hour drive on the way there I just sat there looking at the window it was boring after six hours we got there we went to the hotel and went and check out our room I shared a room with Daniel. That night there was a ten dollar comp Ben foster won it when the comp was over we went back to the hotel and Daniel and me tried to watch tv but our tv didn't work so we went to Azz, Kiarah and Rochelle's room to watch tv we watch it for a wile then Azz telled us to go to bed the next day was the challenge day it was a long day and in the end the Geraldton team won it then we found out that last time we won Simo got that angry that he burned his cue and got the ashes and got a trophy made and put the ashes inside it and from now on the loser gets that trophy and it says from the ashes you will rise. after the challenge there was another comp Jayden won that one that night we stayed up late watching tv then we went to bed that morning every one packed and we left on the way back I slept for a wile then just sat there again when we finally got back pagie drop Damo and me of at my nans. Stone

The mighty Miss Q's team took to the roads again, Geraldton bound and on a mission to back up last year's victory. Moods were elevated on Friday due to the promise of challenging match play against the Geraldton team (their extreme competitiveness and skill only matched by their joviality), the always enjoyable camaraderie amongst the Miss Q's team and of course the opportunity to take home the Chuppa-Chup Cup. Upon arriving at the Broadwater motel the Q's did what was necessary to recover from the long road trip before most of us ventured to the Italian Club to play in a knock out comp and adjust to the Geraldton tables.

It was Saturday morning and the temperature was high. After our fearless leader, Az, gave us a speech we were off to play some pool. The Geraldton team offered some big names to play including Luke Foster, Adrian Lancaster and Ben Foster. Despite the tall order of beating Geraldton the Q's did not hesitate to take to the tables with a keen dedication to winning. We even had hurdles to overcome such as the physical fatigue caused by the sweltering heat, the mental fatigue caused by all-day play, and in some cases the hangovers caused by being too awesome the night prior, but these hurdles were easily quashed by the team cheering each other on. At the end of the match-play it was announced that Geraldton had reclaimed the Chuppa-Chup cup, however the Q's didn't go home empty handed. Simmo was part of the Geraldton team that lost the Cup last year when they played at Miss Q's, and he wasn't happy when they lost. He visited a crematorium with his cue and had a consolation trophy made up (much like the ashes cup in Australian cricket), and now every time a Chuppa Chup challenge is played between the Q's and the Geraldton team the Ashes cup will be awarded to the "runner-up" team. I believe the plaque on the trophy read "from the ashes you will rise", an inspiring phrase for mid-year when we play them again.

The knock-out comp following the challenge saw two of our very own players make it to the Grand Final, but there can be only one winner and in the end that was Jayden King. Congratulations mate. Congratulations also to Suzie and Nat on their one-year anniversary and a happy birthday to Shuttzy! I'd like to say a big thank-you to Az, Kez, Adrian and Adele for organizing such a cool event, the Italian club for allowing use of their facilities, the drivers and the people that cooked breakfast. I can't wait for the next Chuppa-Chup cup! - Stay classy Q's - John Isbah

2013 Geraldton vs Miss Q's Chuppa Chup Cup - This year I tried to make the top 20 at Miss Q's to go to Geraldton and play for the Chuppa Chup Cup. I was put in a very hard group but so were the other groups. I finished 2nd in my group and I was very happy with my result. That meant that I was going to Geraldton to play for the Chuppa Chup Cup. My dad also made the top 20 so he was going with me. John Taylor took his car to Geraldton and he let Adam Caldow, my dad and I go with him. The ride was really long and we stopped at Dongara on the way. When we got to Geraldton the

time was 5.00pm. We went to our unit that we were sharing with Cliff and Jes Risk, John Taylor and Gordon. Our unit was really nice and it was two-story. As soon as we

got there we unpacked our stuff and went swimming in the pool. That night we went to a pool comp at the pool hall. The next day was the biggest. We played 15 games of pool in one day. That night we had to play in a pool comp again at the pool hall. We got back to the room that night and went for another swim in the pool. The next day we came home with John again. My experience there was awesome and I hope to do it again. - Alex Kingsbury

On Friday morning I packed my essentials and headed to Jayden's house. After picking him up we went to Sizzler for lunch. I feel like I should focus on the lunch and go into extreme detail because then it might distract you from the fact that for the whole weekend I played very poorly. We left at about 1ish and proceeded to Geraldton which was a very easy task with very little traffic. Once there we a little bit of time to settle in before playing a knockout comp that night. I was knocked out in the first round in what was the beginning of a string of poor displays. I went back to

the house confident in the next day. The morning games set the tone for the rest of the day as I opened my account with one win and five losses. My final result was just as flattering. It's a shame we didn't come away with the win because our team was very strong and really should have been more than enough to take on the Gero players as they were that day. I suppose we will keep the Ashes safe for now so that we may return them when we next meet. To finish on a positive note, Sizzler was awesome I had Bolognese and ice cream and my beverage was every drink flavour mixed together. Some people think that can't possibly work but is it really does as you can taste every individual flavour if you focus. If my language and style of writing seems a little weak, that is only because I wrote this whole article using Siri on iPhone just to see if I could. Can't wait for the Gero guys to come down here! - Gordon

The Amazing Race

Miss Q's Style with Kristie Trainer

Hello all you fellow Miss Q's readers! I write to you today to share with you the fun that was had our Miss Q's "Amazing Race." Eight teams of two were tied to their partners for the entire race, now that deserves a round of applause! From the first clue to the last, there were three-legged teams racing inside and outside the building trying to figure out the rhymes the

fastest, and on to the next. Team Kiarah and Storm took out the first prize- they were way too fast for any other teams! Next we had some other random party games, the good old sack race (actually rubbish bags) and then we had a competition for the most creative attire made purely from leftover rubbish bags! Kiarah definitely took this one out as first place too!

Then there was a balloon race on, which much to Sally's disgrace, the players were popping them all left, right and centre! Many thanks to all the players that participated and to the audience who preferred to watch and laugh! Also a huge thank you to our helpers - Tamara, Kieran and Christie, it wouldn't have been the same without you guys! Much Love, Kristie.

Farewell Gossies & Thanks for the Memories :- (

January 11th saw a very sad day for the Cue Sports Industry in WA when our sister centre Pot Black Gosnell's closed its doors. Antonio Ferraro has been the Owner Operator of Gossies since 2004 and that has amounted to countless meetings & Challenges between our two venues in that time. Times have been exceptionally tough in Hospitality Businesses since 2007 & the Sport has lost more than a dozen Centres in the last decade in WA alone, Pool Rooms are now a very rare species & we can count our lucky stars we are still here to say our farewells to our Comrades. We are very fortunate that the Gossies are a tight knit group & even without their home, they are going to continue coming to Miss Q's twice a year to maintain our Challenge Match Tradition. The mighty Gosnell's Pot Black Team will now be known as the Gossie Ghosts and they assure me they will continue to haunt Miss Q's :-) Join us to enjoy their company on Sunday February 17th. And Bossman, always remember, WE LOVE YOUR WORK! See you soon!

2012 Premier Pool Champion of Champions

2012 Junior Premier Champion of Champions Stone Stenhouse with Runner Up Caleb MacIntyre

2012 Ladies Premier Champion of Champions Nadine White with Runner Up Melissa Smirke

2012 Men's Premier Champion of Champions Jarrad Page with Runner Up Jayden King

The 2012 Premier Pool Champion of Champions was the last Tournament on the Premier Calendar & it was a scorcher. The first time the Juniors had competed in their own division for this name on the Honour Board saw U15 State Champ Stone Stenhouse dominate the competition & take top spot on the Board with \$60 for his efforts. Congrats to him & young Caleb MacIntyre who placed Runner Up.

The Ladies Division was by far the most entertaining with Andrea Ma Turner pinging off the walls with a surprise self-dosed super shot of Caffeine, she shook like we were in the midst of a massive Earth Quake, but every shot seemed to find a pocket regardless. The Final ended up between Defending Champ Nadine White and the lovely Melissa Smirke & it went to the wire with Nadine sneaking in to back it up for the second year running. Congratulations Ladies a fab benchmark for those up & comers.

And in the Men's one of Miss Q's favourite son's Jarrad Page finally broke through & got his name on one of the few events that has eluded him in prior years, a very solid Final between him & his fellow All Star Jayden King saw quality match play to the last frame.

Both the Nadine & Pagey walked away \$500 richer & were pretty chuffed with their results. Good on all the Leaguies who had a Crack, stay on the tables & practice hard for the 2013 Championship.

Until then Happy Potting everyone :-)

This Months Champions

L-R: Christmas Eve Games Night Champs, Storm & Stone Stenhouse
