## Miss Q's Under 21's - State Snooker Championships

Hey guys and gals, Storm here, just a few words on the Aate under 21's Snooker Championships.

To start with I would like to congratulate Luke Foster on holding on to his title, and Keenan Cigler on placing second and taking Luke to the wire, well done to both.

A special thankyou to the umpires for they're assistance, to the owner of Pot Black North Perth a big appreciation for allowing us to play out of the venue and on the much cared for tables we played on, and a big well done to the smallest of the midget assassins Holly Jane for scaring the pants off the big boys, especially taking Vakkas down to a black ball game.

Miss Q's U21 State Snooker - Daniel Kew, Kiarah Shutthworth, Holly Jane Vaaelua, Stone & Storm Stenhouse

Now to the day, well it started with a bunch of us jumping in shuttz' car driven by Kerry heading down to Pot Black (North Perth), we all arrived very excited to play on the big tables and a have change of pace from the usual reds and yellows.

Once we got inside and saw the venue we would be playing at it was even more of a thrill, the tables were exceptionally looked after with a great staff to assist us, and even a handful of umpires to keep the games flowing. It started with the random draw with all players being placed in five groups of three in round robin format, best of three frames. The players were tough and a lot of the frames went down to the wire. As the day went on we could start to see the energy draining out of everyone, very strenuous on the long tables.

But the games went smoothly which was good, and as we came to a close we were all very happy with the way we played, we put in a full effort, came away with a few frames from exceptional players, had a few laughs and met some new faces,

We all enjoyed it thoroughly, thankyou Miss Q's for allowing us the experience and a big thankyou to Kerry for taking the time out to get us there and back, and a quick thankyou to shuttz for use of his vehicle,

Also I would like to mention the respected Juniors, who attended, Holly-Jane Vaaelua, Kiarah shuttleworth, Daniel Kew, Stone Stenhouse and myself, well done on the effort and good luck at the under 18's, under 15's and under 12's.

See you around the tables, Storm :-)
