Editorial:

Well if you thought March was BIG April was Gargantuan it was all happening here at Miss Q's from April 1st with the Easter Cup Cash Comp all the way through the last couple of Summer Elite Grand Finals followed closely by the launch of the 2013 Premier Pool Leagues Winter Elite Seasons being held this year again on Sundays, Mondays, Wednesdays & Thursday Nights. Then without even taking a breath these nights were followed by the Miss Q's Alice in Wonderland Murder Mystery Night where a great night was had by all. Then on the 21st of April Miss Q's played host to the first of 7 Women's Eightball State Trials being held here with the second of the two Trials also being held here on the 5th of May shortly after this newsletter goes to print. Then only days later Miss Q's hosted WA's Richest Pool Comp the \$10,000 "LP Cues 8 Ball Open" which was a massive success and thoroughly enjoyed by all participants according to the word on the street, a massive congratulations to Adrian Lancaster and Adele Mills on coordinating a seamlessly run Tournament it was a pleasure to watch and participate in, & an equally huge Congrats to this years winner Alan Brown and Runner Up Luke Carter, on one of the best Grand Finals I have ever had the pleasure of watching Well Done. All the photos from the LP Cues weekend can be found on the Miss Q's Website or on the Miss Q's Facebook page and I am happy to be able to say that the LP Cues will from now on be an annual event and am already looking forward to the next one. May is now well and truly upon us Where did this year go??? The first event in May is the monthly Pizza Pool Night held the first Friday of Every Month from 7pm, the following night will See Amy hold her Miss Q's Australiana Quiz Night where teams of four will Compete for prizes. Followed by The Second Women's State Trial the next day go get em Miss Q's Ladies. Mid May will also see Antonio Bossman host an 80's theme night here so dust off your flares and platforms and spend a night Stayin Alive here with us at Miss Q's.

Further updates to come in Next Months News Letter, till then stay safe and I'll catch ya on the tables.

Cheers - Az.

2013 Inaugural \$10,000

LP Cues 8-Ball Open

What a great tournament, thanks to everyone for participating, great match play on Friday and Saturday building up to some really intense matches on the Sunday.

The Friday night Miss Q's Superstars Knockout - a best of 11 frame knockout featuring 8 of the best players in WA was won by Luke Carter defeating Ron Kelly in the Final

The Friday night LP Cues Ladies Knockout was won by Sue Bussanich defeating Kerry de Pradines in the Final

The Friday night "A" Grade players knockout was won by Daren Morris defeating Jayson Kelly in the Final

The Friday night "B" Grade players knockout was won by Stuart Kingsbury defeated Damien Stenhouse in the Final

The Consolation Knockout was won by Jason Dimer who defeated Sam Hart in the Final

I would like to personally thank Kerry & Aaron from Miss Q's for their amazing support, what they have created at Miss Q's is arguably the best 8-Ball venue in WA to hold a tournament of this size, nothing is to much trouble and their hospitality is legendary, I can't thank them enough.

I would also like to acknowledge and thank our major sponsor LP Cues and their national

distributor, The Pool Table Man. Matthew Bolton (manager) is a legend in Cue sports and his support has gone along way to ensuring that this event was a huge success.

The support from the players was also very pleasing, the tournament was full within a week of calling for nominations and although we have had a number of players withdraw there was always someone on the waiting list looking for a spot.

Last but not least I would like to thank Carl and Hayley for their help over the weekend but most importantly the job Adele did to run 6 pool comps simultaneously on Friday night, keep all 600 games on Saturday flowing without a hitch, and then keep the finals day running without any problems, a huge job done extremely well :)

In closing I'm pleased to announce that the LP Cues 8-Ball Open will definitely become an Annual event. -Adrian Lancaster

Wonderland - MURDER MYSTERY NIGHT

On Saturday the 13th of April a murder mystery night was held. An Alice in Wonderland themed night encouraged individuals to dress up as characters from the popular Disney story. The Queen of Hearts also known as Aliasha Turner, no relative of deco queen Emma Turner, won the first prize for the best costume and the Mad Hatter also known as Jono Gaff came a close second. The night was filled with suspense and lots of laughter. Not all players were able to stay on their feet when it came to the sack race and faces were covered with cupcakes after the blind fold, no hands allowed cupcake eating contest.

After many discussions and plenty of questions and answers a verdict was decided. Results from many clues indicated that the White Rabbit played by Codey Dekker in fact murdered the tweedle brother Tweedledee. Over all winner of the night was Jono, second came AJ and third was Mia. A great night was had by all and many memories made. A great appreciation is given to all that attended and made the night a success. I would also like to thank Amy for holding the bar and Skye for making some delicious cupcakes. I look forward to my next event and hope to see many more familiar faces. Cheers Tamara Baran

1st Ladies State Trial at Miss Q's

So the ladies state trials have finally began and the competition is as strong as ever! Having the home ground advantage for the first time ever was a real bonus for the miss Q's Ladies including myself, and to see so many competitors is fantastic!

During the course of the day I versed some of the toughest people! It was a truly good day and watching the ladies from all over compete for the full two frames from every round was great! Personally, I think I stepped up to the challenge and tried my hardest to my ability and in the end, got me a good score. At the end of the day, I had gotten a surprising score of 70/99 points which was the second highest score in my group, which also got me into the top 8! I was so pleased with that, I never thought I'd get this far! :)

So in the top 8 there is a play off, a play off for extra points which are added onto your overall score.

I played against one of the top state players and didn't proceed any further but I got an extra 5 points so hey, I'm not complaining!

With the next six trials still there, I'm going to use the same strategy; "try your hardest and take each frame as it comes, keep your head down in every shot and accept mistakes.

Because those mistakes, you learn from them."

So very excited for the next upcoming trial! And I'm sure everybody else is too! Best of luck ladies and c'mon the Q's! - Rochelle
